

Equality and Diversity Policy

HansenGroup aims to encourage a supportive and inclusive culture amongst the whole workforce. It is within our best interest to promote diversity and eliminate discrimination in the workplace.

We aim to ensure that all employees and job applicants are given equal opportunity and that our organisation is representative of all sections of society. Each employee will be respected and valued and able to give their best as a result.

This policy reinforces our commitment to providing equality and fairness to all in our employment and not provide less favourable facilities or treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, ethnic origin, colour, nationality, national origin, religion or belief, or sex and sexual orientation. We are opposed to all forms of unlawful and unfair discrimination.

All employees, no matter whether they are part-time, full-time, or temporary, will be treated fairly and with respect. When **HansenGroup** selects candidates for employment, promotion, training, or any other benefit, it will be based on their aptitude and ability.

All employees will be given help and encouragement to develop their full potential and utilise their unique talents. Therefore, the skills and resources of our organisation will be fully utilised, and we will maximise the efficiency of our whole workforce.

HansenGroup commitments:

- To create an environment in which individual differences and the contributions of all team members are recognised and valued.
- To create a working environment that promotes dignity and respect for every employee.
- To not tolerate any form of intimidation, bullying, or harassment, and to discipline those that breach this policy.
- To make training, development, and progression opportunities available to all staff.
- To promote equality in the workplace, which **HansenGroup** believes is good management practise and makes sound business sense.
- To encourage anyone who feels they have been subject to discrimination to raise their concerns so we can apply corrective measures.
- To motivate employees to treat everyone with dignity and respect.
- To support our supply chain and promote their active commitment to our approach to equality and diversity policy.
- To regularly review all our employment practices and procedures so that fairness is maintained at all times.

HansenGroup will inform all employees that an equality and diversity policy is in operation and that they are obligated to comply with its requirements and promote fairness in the workplace. The policy will also be drawn to the attention of funding agencies, stakeholders, customers, learners, and job applicants.

HansenGroups' senior management, trade unions and employee representatives fully support the equality and diversity policy.
